PROFESSIONAL EXPERIENCE

GRAPHIC DESIGNER SPITFIRE COMMUNICATIONS

December 2017 - Present - Simsbury, Connecticut

- + Support key clients by producing print and digital materials that engage and retain their employees and communicate the company's message effectively, including total compensation statements, open enrollment and employee benefit guides, SPDs, postcards, mailers, mailing kits, newsletters, brochures, and envelopes
- + Work with web developers to design and consult in the development of websites
- + Further enhance and establish the internal Spitfire brand with the redesign of brand guidelines, business cards, templates, email signatures, and digital assets
- + Collaborate with the marketing team to write and produce social media posts

GRAPHIC DESIGNER CO-COMMUNICATIONS

August 2016 - October 2017 - Farmington, Connecticut

- + Collaborate with Creative Services Manager to conceive and produce promotional materials and deliverables, print and digital collateral, logo and brand concepts for key clients
- + Design, draft, edit and effectively build website layouts on Wordpress and e-blast templates in various email marketing platforms
- + Complete marketing research and other public relations tasks as needed

GRAPHIC DESIGN INTERN HARTFORD SYMPHONY ORCHESTRA

June - August 2017 - Hartford, Connecticut

- + Redesigned administrative documents and promotional materials for the upcoming season including donation forms, ticket vouchers, member benefit forms, pamphlets, brochures, and postcards

GRAPHIC DESIGN INTERN HERRESHOFF MARINE MUSEUM

September - December 2016 - Bristol, Rhode Island

- + Planned and drafted museum exhibit displays to replace outdated designs, optimize readership, and reflect the museum's aesthetic
- + Designed posters, flyers, and advertisements to promote special events
- + Successfully conceptualized and designed eye-catching airport displays that reach various audiences, completed and exhibited at T. F. Green Airport
